FOREWORD

As we gaze down the boulevard with its shadowy and sunny spots, so we look out upon the long road of life, which even now lies before us with its triumphs and downfalls. Knowing this, we have endeavored to symbolize our moments of ecstasy and despondency during that stage of life through which we have just passed, so that in future years we shall be able to look back and yearn for the days that are no more.

In recalling the events of previous years we see that sports have played an important role at Handley, and because of this the theme of the 1948 HANDLIAN is athletics, in honor of one who has done so much to further them, "Snag" Sargent.

DEDICATION

To one who has been so intimately a part of Handley through the years, years of spectacular successes and bitter disappointments; to one who has never failed to help preserve that spirit which is Handley; to one who to us typifies the ideals of sportsmanship; whose ready smile and firm handshake have lifted us over rough spots and added zest to our achievements; to "Snag" Sargent the class of 1948 proudly dedicates this its HANDLIAN with its best wishes and the hope that the future will not sever but only cement more strongly the ties of friendship forged at Handley.

MRS. GARRABRANDT

To you who from meager plans and small beginnings produced successes that glow with your polishing hand,whose tireless effort and toil will always be associated with dances, plays and good times, we express our heartfelt appreciation, not only for mere successes, but also for lasting memories.

MRS. PEERY

To you who lifted our daydreams high up to the far clouds of reality and made mere hopes of success come true, who struggled day and night to make proms, plays, and school life something to cherish, we want to express our warmest thanks and sincerest appreciation.

The Class Poem

FAREWELL

Not a mere childhood, but a life are you,
Whom we recall with awe and admiration.
Without the balm of fruitful memory
Life would be desolate and incomplete.
As children, lisping at our mothers' sides,
We watched your grandeur grow
Until we too became a part of it.
Listen. Do not our childhood voices small
Resound in echoes from your distant halls,
The gayety of voices without care?
Your fir-clad campus still retains perhaps
Our footprints scattered day by day along
Our trek from home to you.
And with the wind you many secrets shared
Swept from our lips into your patient ears,
Gossip of those we loved or shunned.
Does not the music of a prom in June
Fall on your ear, with tender memories?
Your stately columns answered back our cheers
At games where our frail single voice
Was but a whisper in the multitude.
Now from your noble portals we must pass
Who for a season trusted our young lives
To your wise care.
Our youth is almost gone, but yet you hold
That fortune which forever will be ours.
And now at last you hear our voices swell
To you our Alma Mater, Fond Farewell.

—Ralph Harry.

Now your work is done dear Handley
There'll be others coming going
From your halls we depart
And what ere be their fate
Keeping memories of you always
There will never be a nother
Enshrined deep within our heart
Class of Forty Eight
Your the symbol of our childhood
So may our love linger ever
Guiding us through the years
Through all the coming years
We'll be always trusting in you
Here's to our Alma Mater
As our grad-u-a tion nears
And to you we sing our praise

Senior Souvenirs

1947-1948

September 8—"Hi, Bill! where were you all summer?" Everybody in a gay mood as school opens—Ho, hum, per usual—Bennett's "Angels" first paid up on G. O. dues, with Garrabrandt and Hall following close behind. Efficient "corridor cops" on already, tapping the loud cheerers on the shoulder.

9—"Oh, my achin' back." Tryouts for new cheerleaders begin with sore-muscles for days to come.

15—White, Miller, and Harry lead us in our first morning devotional service. Very impressive, too.

16—While the band rehearses for its first time, the HANDLIAN staff begins work on its scrumptous, best ever year book.

17—Cheerleaders elected in assembly by applause of students. Congrats and cigars to Margaret Dunn, Liz Halvosa, Liz Betty Baker, Marguerite Christjohn, and Chris Spanos!!

22—Booster Club right on the ball—and this early, too—as they turn out the first '47 *Jr. Evening Star.*

23—Egads! He drove a rubber nail through that board. Our first outside assembly on Liquid Air astounds us!

26—Everybody hitting the road for Harrisonburg and a chance at the Blue Streaks. Oh, well! So the chances weren't so good as we came out on the short end of 34-0.

October 4—Ah, Sweet Revenge! as the Handley eleven trims Waynesboro 19-6. Peer celebrates "Mule Day" as he rambles into pay dirt, three times.

10—Tough luck gang! We couldn't scrape up one more point to beat Lexington, so lets be satisfied with that stalemate of 13-13.

15—Why can't we get away with some of those things that he said about teachers? "Woody" Underwood and his "vocal cord," Robert Parshall, entertains us with a vaudeville act.

18—Another tied-up ball game as the Falls Church and Handley fray winds up 13-13. Everybody worried sick about "Mule," "Smoothie" and "Eagle-Beak," but they're still with us.

25—Man, this Handley team is just too hot for words. Steam-rolling Judges bowl over Clifton Forge 20-6.

31—Band and cheerleaders get up at crack of dawn for the trek to Covington. The Cougars come out victorious after injuring Manuel for the rest of the year and turning back a hard-fighting Judges squad.

November 2—"Come on and smile—we've got another picture to take"—Whitey running around like mad. HANDLIAN Staff exceeding 35 miles per hour to reach February deadline.

8—Yippee! What a ball game! Judge John's boys maul Staunton 39-0 for their highest score of the year.

10—Final election of Who's Who and boy that was a tough job cause that '48 class has got talent it ain't even used yet!

11—We take a day off to watch the Armistice Day parade and think a little about what the good old U. S. A. means to us.

12—"Oh, say can you see." Outside assembly features movies and lectures on Francis Scott Key.

14—A few of the local gang meet at the library for the march to school and pep rally.

15—Now, we told ya that pep rallys helped-cause-yipee! we beat Warren County 14-6 to make the Alumni stand on their heads at homecoming.

19—Senior girls in their assembly program bring back memories of childhood—Garrabrandt's girls put on "exquisite" show.

21—Another entertaining assembly as Miss Caravasos' girls take us around the world in quite an enjoyable tour.

Senior Souvenirs

26—Brand new Boosters initiated—Musta been a gay time. All of us rush home to settle down to turkey and dressin-um.

27—The Bulldogs foaming at the mouth trim our Judges, 25-12. Well you can't win 'em all! Wolfe, Willie and Demo hurt in the fray but they're all right so quit worrying.

December 1—Here we are back at the 'ole grind with a full stomach from that scrumptuous turkey. Why dces it only come once a year?

3—Basketball Judges take to the hardwoods for the first grind of the season.

4—"Whitey" in shirt sleeves, taking more pictures for that dee-lightful yearbook.

12—Strasburg five downed by Judges, 40-7 as Bo just reaches up and drops in 12 of 'em.

14—"Gee whiz—the place is packed! Annual Christmas concert. Why shouldn't it be with our splendid voices?

16—New monograms just given out help light up the gym so we can see our hardwood aces trim Wardensville to the tune of 33-18.

19—Christmas holidays begin after Judges beat Mathias 40-29 and make it three in a row!

20—January 5—"Oh, my head! Fourteen parties in a row. But ummmmm, it was swell!

January 5—Back to school isn't sad for long, as Seniors sport their rings and practically knock you down making you look at them.

7—"C'mon Mac, sit still and say cheese. "Basketball pictures are taken in record time—4 hours.

9—Handley travels to Harrisonburg and loses to Blue Streaks 40-31, in a thriller —for them.

13—Charlestown High Beaten By Judges—Yep, those headlines are true as we trim the Purple Panthers, for the first time in twenty years.

14—"Gene! Sal!—put more into that kiss—you should be in practice by now." Seniors still working on that million dollar production of "Dear Ruth."

16—"HANDLIANS go off sale today, so you'd better hurry, brother."

22—It's a double header today as the Shamrocks trim the Maroons for the championship and the Judges take the nightcap from Martinsburg 27-30.

26—Oh! why did they have to come! Exams! Last minute cramming produces: two times two equals the War of 1812!

31—At last we take our dream book, the HANDLIAN, to Staunton "from whence comes the best ever publication from that fine town.

February 13—The most wonderful, glorious, Senior Dance goes on. "Let's make it good gang—it's the very last one."

March 11—"You have to do that scene right! Tomorrow is the play!" Mrs. Garrabrandt and Mrs. Peery worried sick about their play cast.

12—But we pulled through—natch—and made the crowd roar! We just had the material, that's all!!

April 26—'Ole H. H. S.'s Literary Team travels to Charlottesville to show them that brain cells aren't lacking around here.

May 1-2—Apple Blossom—pageant, parade, cotton candy, floats and best of all flirts!!

May 30—Quit your shaking! Its almost over, all except for exams.

June 10—At last its here. The Junior Senior prom! Music, orchids, evening clothes, and a swell time.

11—Senior Banquet—The class will and prophecy are read. Here's hoping all those nice things come true, sniff!!

12—For the last time we march to John Handley's grave. Then at long last the final speeches, diplomas with pretty green ribbons, and singing the Alma Mater with tears running down our cheeks. Thanks, Handley, its been six wonderful years with you. Goodbye, and remember our faces, for yours is in our hearts forever.

The Executive Council, our miniature legislative body, is perhaps the most important organization we have at Handley, for it is the medium through which we, the students govern ourselves. Being the most representative body in school, it is only right that it should play an important role in our academic, social, and athletic programs.

Handley, like any other community, must have someone to enforce the law. It is their job to police the halls, lunchroom, and campus, and to try minor violaters of school rules.

Honor Court

This judicial body, consisting of nine student judges appointed by the Principal, tries serious violators of the Constitution and Honor Pledge. The court determines the guilt and extent of punishment of offenders, with the approval of the Principal. By various activities throughout the year, for example, the setting aside of a week to be observed as Honor Week, the Honor Court has contributed much toward the improvement of student government at Handley.

Junior Play

(Presented by the Class of 1949)

This year the junior class presented a hilarious one-act comedy revealing the "trials and tribulations" of a young boy and his first dress suit. Under the direction of the class sponsors, Mrs. Hall and Mr. Gray, the cast delivered a performance of which it can rightfully be proud.

Junior Play

(1948)

Last year, under the able direction of Mrs. Peery and Mrs. Garrabrandt, the class of 1948 presented the one-act comedy, "A Recipe for Love," which revealed the comic experience of a young embryo author and her friend. For any of you who may have use for this "recipe" but have forgotten the ingredients we have listed them below.

The Senior Play

"DEAR RUTH"

On the night of March the twelfth the lights in the auditorium were dimmed as the curtain slowly opened to reveal the results of over two months of hard work on the part of the cast of "Dear Ruth". The class of '48 is proud of the efforts and achievements of these individuals and all of us are especially grateful for the time and effort so freely given by our sponsors, Mrs. Peery and Mrs. Garrabrandt, who directed the play.

Future Farmers of America

Under the direction of Mr. Fry these boys have made Handley proud of them by their participation in judging contests and the arrangement of various displays in the main hall. By planting new trees and shrubbery and taking care of that which we already have they have greatly added to the beauty of our school grounds. In addition they have acquired a knowledge of parliamentary procedure which will be of use to them in whatever field of work they may choose to enter.

Cheer Leaders

A tremendous cheer should be given for these individuals who gave out with all they had in order to keep the cheering at our football and basketball games at a high level. Because of their tireless efforts the cheering section at Handley this year has shown a vast improvement.

THE GLEE CLUB

The Glee Club

All through the day from the direction of the music room you will hear the sound of harmonious voices floating through the halls. This reveals to us the fact that our Glee Club is one of the hardest working organizations we have at Handley. Its ninety-five members, under the direction of Miss Gwendolyn Haynes, have unselfishly relinquished the little leisure time they have each week to provide entertainment for both the student body and the entire community at various times throughout the year.

Junior High Glee Club

Although this organization is but three years old, its members have shown many times and in various ways their talent and ambition for future work in the Glee Club. These seventh and eighth grade girls by lending a helping hand in the Christmas Concert have left no doubt in our minds that the places left vacant by those graduating will be proficiently filled.

Latin Choir

This choir, the pride and joy of the Latin departments, has never failed to amaze the student body by it's ability to sing both sacred and secular music in Latin. Under students direction and with student accompaniment this group has done creditable work in four part harmony.

The Band

What is it that everyone looks forward to at our football games? Why it's the playing and intricate maneuvering of the band during the half, of course. No organization has shown such marked improvement in the past few years as has our marching band and because of this we take our hats off to the director, Mr. Gaylen Strunce, for doing such an excellent job in the short time he has been at Handley.

Varsity Football

After starting off on the wrong foot in the initial game, the Judges came back fighting for the rest of the season; dropping only two other games to heavily favored foes. This year's green squad was haunted by an incurable jinx which dumped player after player on to the injury list. But with that dauntless Handley spirit the Maroon and White came up from the cellar to cop third place in a tough league.

Boys' Monogram Club

In order for a boy to be eligible for membership in the Boys' Monogram Club he must be awarded his "JH" by the head coaches in football, basketball, or track. This year, having drawn up a new charter, its members have tried to arouse and instill in all boys at Handley an interest in one of the three major sports.

Girls' Monogram Club

The Girls' Monogram Club, organized in 1930, has as its members girls who have had the "vim and vigor" to participate in athletics. These girls by entering into various sports such as soccer, volley ball, basketball, and softball have earned the required 500 points and by so doing have won the right to wear the cherished "JH." Intramural competition between the two established teams, the Shamrocks and Maroons, has acted as a stimulus to a growing interest in girls' athletics.

To Young Men of the Class of 48

* * *

As 1948 high school graduates, you are members of one of the nation's most important single groups. What you and 500,000 other seniors from all over the country do after graduation will decide whether or not your nation can keep its Army and Air Force up to strength through volunteer enlistments alone.

Your freedom—and the nation's—carries responsibility with it. Keeping the peace is a big job. Your Army and Air Force must stay up to strength if it is to carry out its commitments. For this vital work, it needs men like you.

The Armed Forces give you more than a chance to take a personal part in keeping your nation safe. Few organizations offer a young man finer advantages. Pay is higher than ever before. World travel, valuable training in many skills and trades, and an excellent opportunity to qualify for Officer Candidate School make the Army and Air Force a valuable step toward any future career. Ask your nearest U. S. Army and U. S. Air Force Recruiting Station for full details.

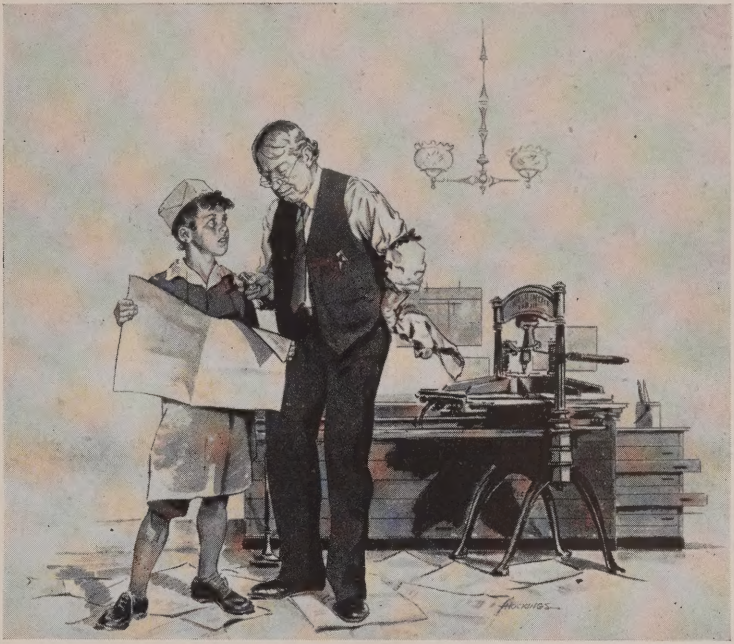
ADVERTISERS



Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
